

COCKWELLS

CAREERS

Marine engineer

Cockwells Modern & Classic Boatbuilding are looking for a marine engineer to join our engineering team. The successful candidate will work with the engineering team and report to the engineering manager.

The key skills required for this role are:

- Mechanical fitter of all general marine systems.
- Experience with shaft drive, out drive and jet drive installation is preferable.
- Experience of Diesel engines.
- Fitting all mechanical components.
- Reading and interpreting technical drawings.
- Experience with new build and refit projects.
- Hourly rate dependent on experience.

The key responsibilities for this role are:

- Design and oversee testing, installation, commissioning, and/or diagnostics and repair of marine apparatus and equipment.
- Install, or direct the installation of, engines or systems from detailed drawings and schematics.
- Evaluate operation of marine equipment during acceptance trials and shakedown cruises.
- Confer with superiors and design personnel in order to clarify or resolve problems, and to develop or modify designs.
- Investigate and observe tests on machinery and equipment for compliance with standards.
- Conduct environmental, operational, or performance tests on marine machinery and equipment.
- Prepare technical reports for use by engineering, management, or sales personnel.

COCKWELLS

- Maintain records of engineering department activities, including expense records and details of equipment maintenance and repairs.
- Servicing of electrical, heating, ventilation, refrigeration, water, and sewage systems.
- Must have the ability to work in a clean yet productive manner.
- Any other tasks as may be reasonably assigned by senior management in order to progress the needs of the company.
- Ability to perform services and winterisation to inboard diesel engines.

The place of work is normally Mylor Creek Boat Yard, Mylor Bridge, Falmouth TR11 5NS but please note we are presently operating from our temporary location at Vospers, Ponsharden, Falmouth TR11 2SD until Summer 2018 or otherwise as may be dictated by the company.

There may be the need to travel at times.

Apply by sending your CV to info@cockwells.co.uk
