

CAREERS

Laminator

Cockwells enjoy an enviable reputation as a company in the forefront of designing and building the highest quality boats, motor launches and tenders. The Company cleverly integrates traditional boatbuilding skills with innovative engineering and modern techniques to build custom vessels of the highest quality. Following a major investment and redevelopment of their established base at Mylor Creek near Falmouth, Cockwells is looking forward to exciting times ahead, creating new opportunities and investing in the future of the Company and its workforce.

We are currently looking for experienced Laminators

The key skills required for this role are:

- To work from drawings and construction instructions to lay-up polyester components in an accurate manner within time and cost budget.
- To be able to prepare moulds for lay-up without supervision
- To be able to gelcoat a prepped mould
- To record work done according to Cockwells Quality control processes
- To maintain a clean and safe working environment
- To work well within a team and be happy to occasionally do work and tasks outside of normal duties for the benefit of the company and its operations.

It would also be advantageous to have:

- Experience in epoxy or carbon fibre
- Mould construction and repair
- Set up moulds, adding frame work as per drawings
- Gelcoat repairs

LOCATION

The place of work is normally Mylor Creek Boat Yard, Mylor Bridge, Falmouth TR11 5NS.

Please note that Cockwells are presently operating from a temporary location at Vospers, Ponsharden, Falmouth TR11 2SD until September 2018, or otherwise as may be dictated by the company.

SALARY

A competitive and negotiable salary is offered dependent on experience.

INTERVIEWS

Interviews will take place at Cockwells in Falmouth, as and when suitable applications are received.

HOW TO APPLY

To apply, please submit a covering letter with your c.v. to info@cockwells.co.uk
