

COCKWELLS

CAREERS

GRP Repair Specialist

Cockwells enjoy an enviable reputation as a company in the forefront of designing and building the highest quality boats, motor launches and tenders. The Company cleverly integrates traditional boatbuilding skills with innovative engineering and modern techniques to build custom and semi-production vessels of the highest quality. Following a major investment and redevelopment of their established base and boatyard at Mylor Creek near Falmouth and maintaining additional facilities at Ponsharden, Cockwells is looking forward to exciting times ahead, creating new opportunities and investing in the future of the Company and its workforce.

NATURE OF ROLE

You will be required to work within our busy GRP department primarily on repairs, however works may also at times include:

- Polishing
- Trimming
- Hand Lay-up
- Mould Movements

SKILLS REQUIRED/DESIRED

- Industry experience essential

SALARY

Rate circa £11 per hour, dependent on experience

LOCATION

Cockwells are currently operating from the main Company site at Mylor Creek Boat Yard, Mylor Bridge TR11 5NS and also from our subsidiary site at Vospers of Ponsharden, Falmouth TR11 2SD.
