COCKWELLS

**Searching for a sturdy,  
all-weather motor yacht  
that offers comfort  
and craftsmanship?  
Look no further than our  
Hardy range.**

With a heritage spanning four decades, Hardy has earned its reputation for building high-quality, all-weather motor yachts that combine excellent engineering with impressive seakeeping and elegant interiors.

From the iconic Hardy 32 to the magnificent Hardy 65DS, the entire fleet can be customised to meet your exact requirements.

## HARDY 53

Influenced by the tried-and-tested Hardy 50 hull, the all-new Hardy 53 reflects the look and feel of the Hardy 45 but offers three luxury cabins as standard; a larger swim platform to accommodate the boat's RIB or tender, and provides more space for entertaining on the aft deck.

<b>Length overall</b>	16.16m / 53ft
<b>Length waterline</b>	15.3m / 50ft
<b>Beam (max)</b>	4.9m / 16ft 1in
<b>Design draft</b>	1.4m / 4ft 6in
<b>Displacement</b>	24.6 tonnes
<b>Engine</b>	Twin 725hp diesel
<b>Speed</b>	Max    Cruise    Range
	25kn    16kn    500nm

## A NEW PARTNERSHIP

---

Having celebrated our 25th anniversary in 2021, we are proud to have acquired Hardy, which will result in our further expansion.

We are committed to building exceptional motor yachts across our ranges that deliver quality, style, reliability, strength, comfort, customisation and advanced technology. You can also rely on us to provide superlative after-sales support.

With our already successful growth strategy and international reputation for excellence, we look forward to facing the future with confidence – and to discussing the specific requirements that will make your Hardy unique.

Dave Cockwell  
Founder & Managing Director
