

Are you our new Finance Manager?

2021 marks our 25th anniversary of building beautiful bespoke motor launches, sailing yachts and superyacht tenders for a discerning clientele.

Following the major redevelopment of our facilities at Mylor Creek, our acquisition of the Hardy Marine brand of motor yachts and our purchase of The South West Shipyard at Ponsharden, we are looking forward to exciting times ahead – expanding the range of high-end craft we design and build; investing in the Company and our workforce, and creating new career opportunities.

We now require an ambitious Finance Manager to join our growing team near Falmouth, which has been crowned the best place to live in the South West by **The Sunday Times** - the perfect destination for sailors, surfers and beach lovers.

Could that be you?

If you have a high attention to detail, are highly organised and have strong communication skills, you could be the candidate we are looking for. Are you highly efficient at processing transactions quickly and accurately and thrive in a fast-paced environment? Can you demonstrate the ability to use your own initiative? If so, we would love to hear from you.

As our **Finance Manager** you would ideally be part or fully qualified in CIMA or ACCA or higher (or qualified by experience) with at least 5 years working as an accountant/bookkeeper at a senior level. You should possess strong abilities in managing time and tasks together with a high level of computer skills (including all Microsoft applications) and strong IT knowledge, including how to troubleshoot minor IT issues.

The successful candidate will have the following accounting responsibilities:

- Analysis and Review of all Build Projects collaborating with Project Managers to explain variances to WIP forecasts on a monthly basis including but not limited to Labour hours, Material Costs, Overhead allocation and completion timelines
- Review and validate Weekly payroll journals
- Preparation and Analysis of monthly management accounts for three companies, including various account reconciliations
- Support Purchase Ledger Clerk with clearing purchase queries, supplier queries, supplier statement recs
- Manage Sales Ledger e.g., raising invoices, chasing debtors
- Bank reconciliations daily
- Oversee the accounts inbox
- Support Buyer with purchasing issues/queries
- Support Stores with delivery and PO issues/queries,
- Day to day bookkeeping duties on the smaller connected business,
- Assisting with R&D Tax Credits
- Supporting Refit & Sales team with report creating
- Quarterly VAT returns across 3 Companies,
- Reconciliation of Monthly Credit Cards,

Operational Responsibilities include:

- Assisting Departmental heads with Project related queries,
- Project reporting on Labour & Material Costs,
- IT support and requisition,
- Creation of New Staff Members IT Login and access rights,
- Ensuring New starters have the correct IT equipment & set up,
- Production Planning support,
- Planning Stocktakes and overseeing the process,
- Supporting stores with booking out of goods,
- Overseeing and assisting with the implementation of Manufacturing software across the business,
- Creating new user IDs & managing user access,
- Updating and renewing Office contracts i.e. Printer & Telephone leases.

Overview of the role:

- The Finance manager will be responsible for supporting the Finance Director with a variety of accounting tasks whilst overseeing the Purchase Ledger Clerk as well as support other members of different departments.
- Knowledge of industry leading Manufacturing ERP system, Sage Payroll and Quickbooks accounting packages would be beneficial.
- The successful candidate must have great communication skills and be task driven.

Pay:

A competitive salary is offered depending on experience.

Benefits:

Free parking, pension scheme, uniform.
