

Junior Boat Designer

Would you like to work with an award-winning boatbuilding company based in waterside offices near Falmouth, Cornwall - the perfect destination for sailors, surfers and beach lovers? Cockwells is a growing company; globally respected in the marine industry. We build luxury motor launches, sailing yachts and superyacht tenders. We are equally at home with modern, technologically advanced vessels as with classic boatbuilding.

We're looking for a Junior Boat Designer to join our talented design team.

Job description

After initial induction and familiarisation with the company, the successful graduate will report to the Semi Production Design Manager in this busy, growing organisation. New designs and production drawings will be created for a range of projects including production motor launches and a new sports boat model.

The Junior Boat Designer will:

- Provide accurate information and drawings to the production team
- Develop the Duchy Motor Launches range (21ft, 27ft, 35ft, Duchy Sport and 45ft) and the recently acquired Hardy Motor Yachts range.
- Provide technical support by keeping technical files up to date and research additional hardware to be specified in designs.
- Keep the network in order with correct version control on documents.

Essential skills

- Proficient in the use of Rhino3D
- Ability to set out a technical drawing
- Flexibility and ability to work in a fast-paced team environment with continually changing priorities
- Creative person with the ability to problem solve
- Ability to communicate clearly and professionally
- Good communication of ideas (Sketch/presentation techniques)
- Happy to work with others and to an existing drawing system
- Have marine knowledge or interest in this field
- Good time management
- Full driving license

Desirable skills

- Degree level qualification in Yacht and Powercraft Design (or similar)
- The use of Solidworks software
- A knowledge of joinery and composites
- Good knowledge of materials properties and construction techniques
- Photoshop software skills

Location

The design team is based across our state-of-the-art head office at Mylor Bridge Boatyard in Mylor Creek and our new Production facility at South West Shipyard in Ponsharden.

Salary

Up to £11.50 an hour, dependent on experience.

Interviews

Interviews will take place at Mylor Bridge Boatyard as and when suitable applications are received.

How to apply

Please submit your CV, to James Stephens, james.stephens@cockwells.co.uk

Thank you. We look forward to hearing from you.
