## DUCHY SPORT

The Duchy Sport is the ultimate family fun boat – perfect for active watersports enthusiasts, relaxed sunbathers and everyone in between.

Elevating the flair of the Duchy brand to the next level, the Duchy Sport enables a range of activities including wakesurfing. As well as creating the perfect wave to surf, she also delivers all kinds of creature comforts for up to nine guests – from sunbeds and a wet bar to a forward cabin with day heads - all with the high-end finesse that you would expect from Cockwells.

An expansive Bimini supplies shade from the sun's rays and supports removable awnings for all kinds of weather protection. Adjustable aft sunbeds provide comfortable seating around the dining table or a seabird's eye view of the adrenalin-fuelled on-the-water action from the deck. Aft steps leading to a bathing platform with a large swim ladder enable easy access to azure waters. Generous stowage for water toys completes the scene.
