

Bench Joiner

Would you like to work for an award-winning boatbuilding company based in waterside offices near Falmouth, Cornwall - the perfect destination for sailors, surfers and beach lovers?

Cockwells is globally respected in the marine industry and at the forefront of designing and building luxury motor launches and superyacht tenders. We cleverly integrate traditional boatbuilding skills with innovative engineering and modern techniques to build vessels of the highest quality.

We are currently looking to recruit a full-time Bench Joiner to join our team.

Job description

After initial induction and familiarisation with the company, the successful applicant will report to the Joinery Manager.

Bench Joiners are required to produce all the internal joinery to a high standard, work to agreed schedules and ensure all work is carried out professionally and efficiently.

Flexibility is essential as you may be asked to help the boat building team with the installation of joinery to maintain production schedules.

Essential skills

- A high level of competency in all aspects of joinery with a good level of machinery experience
- An excellent eye for detail
- Basic knowledge of Health and Safety
- Hard-working and reliable

Desirable skills

- Veneering experience
- CNC experience
- Able to work on your own initiative and without supervision
- Able to work under pressure to tight deadlines

Location

The place of work is Vospers, Ponsharden, Falmouth TR10 8AB.

Salary

Between £11.50-£16.50 per hour, dependent on experience. Overtime may be available and is paid at up to 1.5 x hourly rate.

Interviews

Interviews will take place as and when suitable applications are received.

How to apply

Please send your CV to recruitment@cockwells.co.uk.

Please note you must have the right to work in the UK to apply for this position, as we do not offer visa sponsorship.

We look forward to hearing from you.
