

Joinery Team Leader

Would you like to work for an award-winning boatbuilding company based in waterside offices near Falmouth, Cornwall - the perfect destination for sailors, surfers and beach lovers?

Cockwells is globally respected in the marine industry and at the forefront of designing and building luxury motor launches and superyacht tenders. We cleverly integrate traditional boatbuilding skills with innovative engineering and modern techniques to build vessels of the highest quality.

We are currently looking for a fully qualified and experienced **Joinery Team Leader** to work 40 hours a week, Monday to Thursday, 7am to 17.30pm.

Essential skills & Experience:

- Time served Joiner or Carpenter, with industry experience and experience in cabinet making and possibly a background including apprenticeship, NVQ / City& Guilds qualifications in bench joinery or equivalent.
 - Experience in modern woodworking machinery and hand tools.
 - Experience in reading drawings, templates & written instructions.
 - Be able to produce a bespoke range of joinery, from Cabinet door and frame sets, fielded panels and architectural mouldings, curved hand rails, and fitted joinery
 - An ability to work to tight deadlines.
 - An ability to take on the managerial and administrative aspects of running a team of skilled joiners.
 - An ability to use problem-solving and critical thinking skills.
 - Be able to work independently or as part of a team.
 - Overseeing joinery projects and a team of joiners on a daily basis.
 - Ensure the quality of work is completed to the highest degree.
 - Allocate joinery work to your staff and yourself, managing your workload and time to ensure you can fit in all duties.
-
- **Previous Experience:**
 - The successful candidate will be a skilled and experienced team leader with strong skills in carpentry and joinery.
 - have the ability to deliver work to our high standards of craftsmanship and finish.
 - a joinery background is essential.
 - demonstrate leadership qualities.
 - marine or boat building experience preferred, but not essential.

Applicants need the ability to read and understand scaled drawings (1:10), plus, the competence to work within tight tolerances with high value lacquered veneers and solid wood products. This role involves both “hands on” and supervisory aspects.

Location

Your normal place of work will be at one or more of the Cockwells sites at: Mylor Creek Boatyard, Mylor Bridge, Falmouth, Cornwall, TR11 5NS; Southwest Shipyard, Ponsharden, Falmouth, TR11 2SE; or at Vospers of Ponsharden, Falmouth, TR10 8AB.

Salary

Up to £16.50/ hour.

Interviews

Interviews will take place as and when suitable applications are received.

How to apply

Please send your CV together with a covering letter outlining your suitability for the role, salary expectation and current notice period to recruitment@cockwells.co.uk

We look forward to hearing from you.
